GOVERNMENT OF MYSORE
GENERAL SECRETARIAT
26 JUN 1925
LOCAL SELF GOVT. BRANCH

Bangalore 26th June 1925

Dear Sir

I find in the provisional budget for 1925-26, a sum of Rs.1.20.000 provided under 30(7) Malnad Improvement against the revised estimate of Rs.72,000 for the previous year I take it that the increased provision includes the amount required for carrying out the programme of five new Dispensaries and other measures of medical relief during 1925-26, as laid down in Government Orders Nos. L.2391-904/San. 28-24-1 and L. 3516-25/San. 50-25-5 dated the 1st October and 10th November 1924 respectively. If this is so, I request that the exact amount allotted and available for the purpose may kindly be intimated to me so that I may take needful steps to carry out the instructions contained in the Government Orders referred to The extension of medical relief is much the most important item in the Malnad Improvement Scheme and as you are aware, keen interest was also evinced in the matter in both the Representative Assembly as well as in the

GENERAL & REVENUE SECTT. 6313 29. JUN. 1925 LOCAL SELF GOVT. BR.

Draft Order sanctioning the Malnad Improvement Budget, should issue without delay The draft may be put up for the approval of the 2nd Member and for my concurrence within a week.

To:-

The Secretary to Government, Local & Legislative Depts. with compliment

General and Revenue Secretariat.

Sanc File No. 10 of 1924

Serial No. 32

From the Secretary in Imperial Dy. no L C 3918 of 26.6.1925

Enquires whether provision has been made in the budget for 1925-26 on account of new dispensaries promised the Council ~~during~~ 1925-26 under the Medical Improvement scheme.

2) Subj Of the 10 dispensaries promised to be opened in para 2 of the G.O. no L 2891-904/San 28-24 of 1.10.24, five have been sanctioned vide G.O. no L 3648-56/Med 14h-22-45 of 6.11.1924. ~~But when~~ the additional amount was asked for in connection with the Medical Improvement budget for 1925-26 on account of the remaining five dispensaries, the amount was first ordered to be included in the list of items reserved for consideration at the final budget time, ~~and~~ but was not sanctioned finally. May the above fact be ~~to~~ intimated to the Secretary, Imperial?

NOTE—Contn. Sheet

Serial No.

7) Of the sum of Rs.1,20,000 provided in the State Budget for Malnad Improvement, a sum of Rs.51,940 relates to establishment charges as detailed on page 159 of the budget and abstracted below and Rs.6,644 for Travelling Allowance:-

Lady Medical Officers.	Rs. 8640
Malnad Improvement dispensaries, Midwives and provision for the training of midwives.	" 28060
Vaccinators.	" 4932
Unani and Ayurvedic Vaidyasalas	" 2984
Engineering Establishment	" 6468
Economic Survey Staff.	" 856
	51,940

8) Of these, the first three relate to Medical and sanitary relief and have to be administered by the Senior Surgeon and Sanitary Commissioner Unani and Aurvedic Vaidyasalas are being administered by the District Boards and with regard to the Economic Survey staff, no further action is called for as the appointments ~~would~~ have ceased. In regard to the Engineering Establishment, the attention of the Chief Engineer has been invited to the provision made in the Budget for the purpose and as the previous order sanctioning the establishment was issued in the P.W Secretariat, that Secretariat will be asked to issue orders continuing it for another year.

9) Deducting these, a sum of Rs.61,436 remains for being utilised for Improvement works, communications medicines and contingencies.

10) In regard to the medicines and other contingencies, provision has to be made for the commitments indicated in the accompanying statement to the extent of Rs.25,145 to be distributed among the three malnad Districts of Shimoga, Kadur & Hassan

p.t

13) Lady Medical Officers not yet appointed. Ask S.S. & G.O. to review requirements carefully, give details of charges, & show probable savings for

Yes, and also to give details of Estmt. programme of work, & probable savings for

Sanction taken & this matter is being separately dealt with

This is also for approval

NOTE—Contn. Sheet

Serial No.

3729

There then remains a sum of Rs.36,201 available for communications, sanitation and water supply, etc.,

11) The Second Member of Council was pleased to say that provision may be found from this for the establishment of five more dispensaries -- during the current year. The cost as per standing orders for each Malnad Improvement dispensary is Rs.225½ per mensem recurring expenditure and Rs 1,500 non-recurring expenditure. This amounts to Rs.21,030 for 5 dispensaries. An additional sum of Rs.5,760 is required for Lady Medical Officers, calculating at Rs.300/- each per mensem, in which allowances will have to be included. The scheme of Lady Doctors and 5 new dispensaries will thus cost Rs.26,790. A lumpsum provision of Rs.24,000 may be provided ~~if five dispensaries are to be provided~~ for with the purpose. This will reduce the amount available for communications, etc., to Rs.12,201. Last year a sum of Rs.14,000 had been sanctioned for ~~Malnad~~ Water supply and ~~sanction of~~ Sanitation and Rs.10,000, for communications.

12) In regard to the question raised regarding the contributions from the District Boards etc., for the opening of dispensaries, it is submitted that the whole cost on account of the Malnad Improvement dispensaries is being debited to the State grant and no contribution is being recovered from the Local Bodies for the purpose. Again, the District Board, Shimoga, have already represented that the finances are ~~so~~ bad and have applied for the maintenance of the Local Fund dispensary at

(7) The file is now forwarded to the Senior Surgeon unofficially with the request that he will kindly arrange to see the Member with the information required in the minute of reference & to return the file by hand of Mr. Sankara Menon the Local Asst.

210 No. 369
24/7/25

NOTE—Contn. Sheet

Serial No.

NOTE—Contn. Sheet

Serial No.

16/ The provision made in the Budget is for five new dispensaries which had been ordered to be opened during the year 1924-25 under the Malnad Improvement Scheme, in Government Order No. L. 2891-904 San. 28-24-1, dated 1st October 1924. and for nine dispensaries which had existed previously, viz.

1. Aldur 2.Attigundi, 3.Balur 4.Balehonnur, 5.Lakkavalli and 6.Santaveri	six in the Kadur District.	7. Agumbe and 8.Nagenhalli and 9Rayarkoppal	Shimoga District and Hassan District

19/ But in para 3 (a) of Government Order No. L.3448-I Med.144-22-45 dated 6th November 1925, it was ordered that the pay of the Sub Assistant Surgeons in charge of the 5*Semi-itinerant Dispensaries in the Shimoga District, which were converted into stationary institutions, should also be met from the Malnad Improvement Budget. No provision on account of these five Sub Assistant Surgeons was therefor made under "21 Medical, (xiii) L.F.Dispensaries" in the current year's Budget. But it has also been omitted under "30, Grants for Public Improvements, 7, Malnad Improvement". The provision required is

*1.Ananthapur
2.Humchadakatte
3.Mandagadde
4.Megarvalli
5.Sorab.

Rs.50 x 5 x 12 or Rs.3,000 and has to be added in the statement of "provision for commitments" prepared in the Secretariat, the total of which will have to be Rs.28,145/- instead of Rs.25,145/-

20/ No savings seem possible under any of the items shown in the statement unless it be the provision for dispensary building at Attigundi (Rs.4,000) which, however, is also an urgent necessity. If, the Police Department could be induced to allow their building to be used for another year or two, or the Public Works Department

Serial No

Department could include the building in the programme of buildings to be constructed out of the P.W. Budget, this amount of Rs.4,000 could be utilised to fill up the omission of the Rs.3,000/- pointed out above.

(2) The estimate of Rs.21,030 required for five new dispensaries could be reduced, for the current year by Rs.50/- per mensem included on account of "Europe Medicines" in the recurring charges for each dispensary as the initial supply will last till the end of the year, and provision for the next year's budget requirements could be made in the next year's budget. This comes to Rs.50 x 5 x 12 or to Rs.3,000. No other savings seem possible

(3) Provision at Rs.300/- (including allowances) per mensem for each of the four Lady Doctors to be appointed under the order of 1st October 1924, is the least that could be made. Even ordinary lady graduates of Indian Universities are not willing to accept a pay of less than Rs.200/- As the G.O. contemplates the entertainment of persons of superior qualifications, and as applicants possessing the L.R.C.P. and M.R.C.S. and L.M. qualifications are usually started on Rs.300/- the provision of Rs.300/- suggested will barely suffice to meet the pay of the new hands. But as the actual entertainment of the hands (after fresh advertisement etc) may take some time, it is hoped to make up the cost of allowances from the amount of pay saved by the inevitable delay in actual entertainment of the hands.

(4) Thus, out of Rs.21,030 for five new dispensaries and of Rs.5,760 on account of pay of four

Serial No.

four lady doctors (in addition to the Rs.8,640 already provided in the budget) or a total of Rs.26,790 estimated in para 11 of the Secretariat Note, Rs.3,000/ may be reduced on account of Europe Medicines as pointed out above, so that, Rs.23,790 will be sufficient against Rs.24,000/- proposed to be given.

24) As regards the places where the ten new dispensaries have been or will be opened, it has been my opinion that, according to the importance of each district and the extent of unhealthy area requiring medical aid, Shimoga ought to have five, Kadur three and Hassan two.

The five places in Shimoga are:

1. Hulikere (Devangi) Thirthahalli Taluk, (opened)
2. Sulegode, Nagar Taluk (Sanctioned. to be opened).
3. Aralgode, Sagar Taluk (Do.
4. Chandragutti, Sorab Taluk (proposals submitted)
5. Tagarthi, Shikarpur Taluk, (Proposals not yet sent to Government).

The three dispensaries in the Kadur District ar

1. Bukkambudi, Tarikere Taluk } (already opened)
2. Basrikatte, Koppa Taluk }
3. Gonibid (to be opened after renewal of sanction)

The two places in the Hassan District are,

1. Belagodu, Manjarabad Taluk } Proposals willbe submitted on receipt of definite information from the President, District Board of Hassan.
2. Narve, Belur Taluk, }

25) The places are marked on the District Maps put up herewith, which may kindly be returned when done with.

Maps shown to member and brought back by the Senior Surgeon. 24/7/25

Senior Surgeon.

12 3. JUL. 1925
LOCAL SELF GOVT. DEPTT.

Extract from the Second Member's Minute dated dated the 6th July 1925 in Medical File bearing D. No.1629.

Please study separately and give me detailed information re: provision made in this year's budget for new dispensaries and veterinary dispensaries consulting the Chief Engineer, Senior Surgeon and the Director of Agriculture. The earlier works should be started of sanctioned & made. The letter

Medical Dept Section

27/ The question of opening of five new dispensaries under the Makand Dept scheme is under consideration in connection with the distribution of the Makand Dept funds. The file has been sent to the Secretary for opinion. This will be placed before that file after receipt of opinion.

27/7/25

28/ The starting of 5 new dispensaries under the Makand Improvement scheme is separately under consideration. Provision is made for the construction of a building at Athgaon. The Senior Surgeon will be addressed after the number of dispensaries & places in which they have to be started are settled.

29/ Regarding departmental dispensaries the question is being separately dealt with.

NOTES ON MALNAD IMPROVEMENT ALLOTMENT.

---

34) Of the sum of Rs. 1,20,000 provided in the State Budget for Malnad Improvement, a sum of Rs. 51,940 relates to establishment charges as detailed on page 159 of the budget and abstracted below and Rs. 6,624 for Travelling Allowance:-

Lady Medical Officers.		Rs. 8,640
Malnad Improvement Dispensaries, Midwives, and provision for the training of Midwives.		Rs. 28,060
Vaccinators	...	Rs. 4,932
Unani and Ayurvedic Vaidyasalas.	...	Rs. 2,984
Engineering Establishment.	...	Rs. 6,468
Economic Survey Staff. ...	...	Rs. 856
Total	...	Rs. 51,940

33) Of these, the first three relate to Medical and Sanitary relief and have to be administered by the Senior Surgeon and Sanitary Commissioner. Unani and Ayurvedic Vaidyasalas are being administered by the District Boards and with regard to the Economic Survey Staff, no further action is called for as the appointments have ceased. In regard to the Engineering Establishment, the attention of the Chief Engineer has been invited to the provision made in the Budget for the purpose and as the previous order sanctioning the establishment was issued in the P.W. Secretariat. that Secretariat will be asked to issue orders continuing it for another year.

36) Deducting these and the sum provided for Travelling Allowance, a sum of Rs. 61,436 remains for being utilised for Improvement Works, communications, medicines and contingencies

35) In regard to the medicines and other contingencies, provision has to be made for the commitments indicated in the accompanying statement to the extent of Rs. 24145 to be distributed among the 3 Malnad Districts of Shimoga, Kadur and Hassan. There then remains a sum of Rs. 37,291 available for communications, sanitation and water supply, &c

36) The question of providing for additional dispensaries and for increased provision for Lady Medical Officers and the number of such officers to be appointed this year was discussed with the Senior Surgeon

37) For five new dispensaries, the ordinary provision required ~~is~~ for each is Rs.1,500 initial charges and Rs.225½ monthly recurring charges. As provision for Europe medicines for the first year is included in the initial charges, the monthly recurring charges during the first year will be reduced by Rs.50/- or to Rs.175½ only, for each dispensary. Again, as we are now in the beginning of August, provision for recurring charges need be made only for ten months. The total provision required for the five new dispensaries is, therefore,

Initial charges	Rs.1,500 x 5 -- or	Rs.7,500
Recurring charges	Rs.175½ x 10 x 5 or	Rs.8,775
	Total Rs.	16,275

38) As Lady doctors possessing the L.R.C.P. (Lond), M.R.C.S.(Eng) and L.M. (Dub), have all along been started on a pay of Rs.300 and as ~~this~~ it is contemplated to secure lady doctors with high qualifications provision at Rs.400/- per mensem, including local and house rent allowances, as stated in G.O. No.L.2891-904 -San.28-24-1, dated 1st October 1924. will have to be made for each. The total provision for four lady doctors will be Rs.19,200. But as there is already a provision of Rs.8,640/- the additional provision that will have to be made is Rs.10,560. As only one of these appointments has now been made, and one will be kept open till December next, and as it will take some time before the remaining two are made. the Senior Surgeon was of opinion that an extra provision of only Rs.6,000/- may be made for this purpose.

39) Deducting Rs.16,275 and Rs.6,000/- from the sum of Rs.37.291 mentioned in para 10, there will remain a sum of Rs.15,000/- for distribution for "communicatior sanitation, etc."

(10) This sum of Rs.15,000 as well as other savings that may become available may be utilised for the above purposes, the District Boards concerned being asked to submit definite proposals on the schemes in view for the sanction of Government and to arrange to carry out the works without allowing the grant to lapse.

(11) As regards the vacancies in regard to which these appointments are to be made, it is submitted as follows.

(12) Excluding the one appointment (of Miss. Edith Paul) already made, there will be three vacancies, one of which is now proposed to be filled by the appointment of Dr, Marchant, and one is proposed to be kept vacant for Mrs. Perriton who is due to return from England in December. The Senior Surgeon need advertise or take steps for appointing only one more lady doctor of higher qualifications for the Malnad.

(13) Instead of posting the new recruits direct to the malnad work the Senior Surgeon will post them to any of the existing big institutions and will post lady officers of experience for the malnad work. This and his present proposal to appoint Mrs. Uchgaoker for the Kadur District and to attach her to the Chickmagalur District Hospital, wherefrom her services would be readily available to Taluk stations. are for orders. He would similarly appoint one lady officer for each of the other Malnad District Hospitals of Shimoga and Hassan.

(14) As regards Lady Apothecaries, the Senior Surgeon said that they were required for (1) Kallurkatte. (2) Thirthahalli, (3) Mudigere and (4) Saklespur. Similarly Lady Medical subordinates may be required for (1) Hole-Narsipur and (2) for a place to be selected in the Kadur District. The latter two will have to await the revision of the cadre.

(5) For the four vacancies in the grade of Lady ~~Apothecari~~ Apotnecaries, the Senior Surgeon will advertise for three Lady Medical Graduates instead of Apothecaries, as the appointments of Lady Apothecaries are intended to be replac ed by Lady Assistant Surgeons, and the fourth vacancy will not be filled up as there is one Lady Sub Assistant Surgeon now in excess of the sanctioned number of subordinates of this grade.

(6) As regards the places where new dispensaries have to be opened, Government have already sanctioned the opening of dispensaries at Hulikere (Devangi), Sulegode, Bukkambudi and Basarikatte. The dispensary immediately required at Aralgode is already included in the previous programme. The other places where dispensaries an urgent ~~have~~ to be opened are, (1) Chandragutti (Sorab Taluk); (2) Tagarti (Shikarpur Taluk); (3) Gonibid (Mudigere Taluk); (4) Belagodu (Manjarabad Taluk) and (5) Narve (Belur Taluk). But as Tagarthi is a Jodi Village, one may be opened at Belandur.

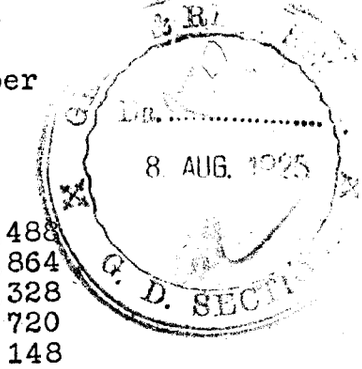
LEGAL & REVENUE SECRETARIAT
No. 367
1 - 6. AUG. 1925
LEGAL GOVT. MADRAS

The above typed note represents the understanding arrived at in the personal discussion between the 2nd Member of Council and myself on this subject.



The amount of Rs.28,060/- is made up of -

Pay of 14 Sub Assistant Surgeon (p.159 of Budget)	10,488
Local and other special allowances ...	3,864
Midwives (their pay and allowances)for 17 hands	5,328
Scholarships to Pupil Midwives 6 at Rs.10 each	720
Contribution towards Sagar Maternity	148
Pay of 14 Compounder, 14 Surgery Coolies, 14 Water women, with Malnad allowance to 14 Compounders @ Rs.2/- each and to 24 menials at Re.1/- each.	7,512.
Total	Rs.28,060.

(50) A statement showing the details of the particular institutions to which the hands are attached is appended as desired.

(51) There has crept a slight mistake in the published budget statement as regards the number of menials (24) for whom provision has been made for Malnad allowance at Re.1 each. Each dispensary has a Surgery Cooly and a Waterman or woman, each of whom is entitled to a Malnad Allowance of Re.1/- For 14 Dispensaries, for which provision for all other items has been correctly made, malnad allowance for 28 menials at Re.1/- should have been made. instead of only 24

(52) Again, although Midwives have been sanctioned at Gonibid and Lingadahalli and are working there, provision for their pay and allowance at Rs.25/- each has not been made. Similarly Malnad allowance at Rs.10/- to Sub Assistant Surgeon of Sakrepatna has been omitted

(53) These omissions had been brought to notice when the draft Budget figures were verified and returned to the Comptroller with the usual plus and minus statement, and a copy thereof also submitted to Government with my letter No. Pl.29-7-12, dated 27th/28th February 1925. But these points do not seem to have received attention.

(54) However. as the items are comparatively small, the expenditure involved could be made up from the additional amounts now proposed to be allotted.

PROCEEDINGS OF THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE.

---oOo---

R e a d.-

1. G.O. No. L.2891-904/San.28-24-1 dated the 1st October 1924 revising the Malnad Improvement Scheme and directing among other matters that 10 Dispensaries be established and 4 Lady Medical Officers appointed in the next two year

2. Letters No. C.545-14, dated the 24th April 1925 and No. C.545-16, dated the 29th April 1925 from the Senior Surgeon and Sanitary Commissioner in Mysore forwarding consolidated statements showing the requirements during the year 1925-26 under Malnad Improvement.

ORDER No. L 1961-66

Bangalore, 11th ~~August~~ 25.

Of the sum of Rs. 1,20,000 provided in the State Budget for Malnad Improvement, a sum of Rs. 51,940 is intended to meet the establishment charges as abstracted below and Rs. 6.624 for Travelling Allowances:-

Lady Medical Officers.	Rs. 8,640
Malnad Improvement Dispensaries, Midwives and provision for training Midwives.	Rs. 28,060
Vaccinators.	Rs. 4,932
Unani and Ayurvedic Vaidyasalas.	Rs. 2,984
Engineering Establishment.	Rs 6,468
Economic Survey Staff.	Rs 856
Total.	Rs. 51,940

2 Deducting the above charges, a sum of Rs. 61,436 would remain for being -- utilised for other commitments and improvement works in the three Malnad --- Districts.

3 Of the 10 New Dispensaries promised to be opened in the Malnad under the order of 1st October 1924, the opening of five dispensaries in the marginally noted places was sanctioned in G.O. No. L.3448-56/Med.144-22-45, dated the 6th November 1924.

1. Hulikere, Thirthahalli Taluk
2. Sulepodu, Nagar "
3. Ulvi, Sorab "
4. Aralgodu, Sagar "
5. Sombeed Sundapur "

4 On the recommendation of the Senior Surgeon, 4 Dispensaries have been opened at the marginally noted places - in modification of the above order. One more dispensary has to be opened thereunder and Government consider it necessary that the remaining 5 dispensaries promised should also be opened during the current year. The Senior Surgeon has recommended that the 6 dispensaries in view may be opened in the ~~following~~ marginally places. This will be sanctioned except in regard to Thagarti in lieu of which one may be opened at Belandur.

1. Hulikere (Devanga)
2 Sulepodu
3 Hulkhambudi
4 Basavikatte

2 That the above arrangement kept in a temporary footing until further orders.

1. Chandragutti Sorab Tk.
2. ~~Belandur~~ Thagarti Sankarpur Tk
3. Soribid Sundapur Tk
4 Belandur, Manjarabad Tk
5. Nagar, Nagar Tk
6. Aralgodu, Sagar Tk.

5. The following is the scale of expenditure proposed for the five new dispensaries:-

	Rs. 1,500 for each Dispensary	Rs. 7,500 for 5 Dispensaries.
Non-recurring expenditure.-		
Recurring expenditure.		
1 Sub Assistent Surgeon (average)	Rs 63½	
Charge Allowance to Sub Assistant Surgeon.	Rs 20	
1 Compounder (average)	Rs 25	
1 Midwife (average)	Rs 25	
1 Dispensary Attendant	Rs 11	
1 Waterman.	Rs 8	
Dieting charges	Rs 5	
Bedding and clothing	Rs 5	
Contingencies.	Rs 5	
Country medicines	Rs 8	
Europe medicines.	Rs 50	
Total	Rs.225½ per month.	

As 2 months of the year have already elapsed and as the cost of Europe Medicines during the first year is included in the ~~recurring charges~~ initial charges, provision need be made for the 5 new dispensaries only for 10 months ~~and~~ at Rs. 175½ each per mensem recurring.- The initial and recurring cost for these dispensaries will therefore amount to Rs. 16,275 for the current year. In the budget, a provision of Rs. 8,640 has been made for 4 Lady Medical Officers - at the rate of a pay of Rs. 180 per -- mensem each. As qualified Lady Doc- - tors have all been started on a pay of Rs. 300 and as it is contemplated to secure lady doctors with hign qualifi

cations, Government consider that provision at the rate of Rs. 400 per mensem for each of these officers including local and house rent allowances is necessary. The cost at this rate for the whole year would be Rs. 19,200/-. But as only one appointment has now been made and one will be kept open till December/next against the return of Mrs. Perriton , and as it will take some time before the remaining two appointments are made, it is found that only an extra provision of Rs. 6,000 - need be made for the purpose this year This is agreed to by the Senior Surgeon and will ~~also~~ be sanctioned.

(The appointments will however be temporary for the present.)

7 After meeting the expenditure under the heads referred to in the previous paras, a sum of Rs. 39,161 will remain for being distributed among the three districts to meet the demands in regard to their other commitments and for the improvement works and sanitation and water supply. A statement showing the distribution made under the several heads is appended to this order. It will be seen that the - - amount available for communications, - sanitation and water supply is only about Rs. 15.000. Government however direct that the savings that may become available later under other heads during the year ~~in the budget~~ be placed at the -- disposal of the Boards for being utilised for this purpose.

8. The Presidents of the District - - Boards are requested to submit definite proposals in regard to the improvement schemes for the sanction of Government and to take steps to carry out the - - works without allowing the grant to -- lapse.

In the statements received from -- the Districts, provision was required - to be made for revision of the pay of - the Vaccination Staff in certain cases and increase of contingent grant to - - Vaidyans in Shimoga; but no definite proposals had been submitted as required by the rules The Sanitary Commissioner and the Presi dents of District Boards concerned are therefore requested to submit definite proposals in the matter in the prescrib ed form in proper time before the consi deration of the next year's budget.

Government Order No. L. 2891-904—San. 28-24-1, dated the 1st October 1924, revising the Malnad Improvement Scheme and directing among other matters that 10 Dispensaries be established and 4 Lady Medical Officers appointed in the next two years.

2. Letters No. C 545-14, dated the 24th April 1925 and No. C. 545-16, dated the 29th April 1925, from the Senior Surgeon and Sanitary Commissioner in Mysore, forwarding consolidated statements showing the requirements during the year 1925-26 under Malnad Improvement

ORDER No. L. 1961-66—~~Mt.~~ San 10-24-42, DATED 11TH SEPTEMBER 1925

Of the sum of Rs. 1,20,000 provided in the State Budget for Malnad Improvement, a sum of Rs. 51,940 is intended to meet the establishment charges as abstracted below and Rs. 6,624 for travelling allowances: —

	Rs.
Lady Medical Officers	8,640
Malnad Improvement Dispensaries, Midwives and provision for training Midwives	28,060
Vaccinators	4,932
Unani and Ayurvedic Vaidyasalas	2,984
Engineering Establishment	6,468
Economic Survey Staff	856
Total	51,940

2. Deducting the above charges, a sum of Rs. 61,436 would remain for being utilised for other commitments and improvement works in the three Malnad Districts.

3. Of the 10 New Dispensaries promised to be opened in the Malnad under the order of 1st October 1924, the opening of five dispensaries in the marginally noted places was sanctioned in Government Order No. L. 3448-56—Med. 144-22-45, dated the 6th November 1924.

1. Hulikere, Tirthahalli Taluk.
2. Sulegodu, Nagar Taluk.
3. Ulvi, Sorab Taluk.
4. Aralgodu, Sagar Taluk.
5. Gonibeed, Mudgere Taluk.

4. On the recommendation of the Senior Surgeon, 4 Dispensaries have been opened at the marginally noted places in modification of the above order. One more Dispensary has to be opened thereunder and Government consider it necessary that the remaining 5 Dispensaries promised should also be opened during the current year and that the whole arrangement kept on a temporary footing until further orders. The Senior Surgeon has recommended that the 6 Dispensaries in view may be opened in the marginally noted places. This will be sanctioned except in regard to Thagarti in lieu of which one may be opened at Belandur

1. Hulikere (Devangi).
2. Sulegodu.
3. Bukkambudi.
4. Basarikatte.

1. Chandragutti, Sorab Taluk.
2. Thagarti, Shikarpur Taluk.
3. Gonibid, Mudgere Taluk.
4. Belagodu, Manjarabad Taluk.
5. Narve, Belur Taluk.
6. Aralgode, Sagar Taluk.

5 The following is the scale of expenditure proposed for the five New Dispensaries:—

Non-recurring expenditure— Rs. 1,500 for each Dispensary. Rs. 7,500 for 5 Dispensaries.

Recurring Expenditure.

	Rs.
One Sub-Assistant Surgeon (average)	63
Charge Allowance to Sub-Assistant Surgeon	20
One Compounder (average)	25
One Midwife (average)	25
One Dispensary Attendant	11
One Waterman	8
Dieting charges	5
Bedding and clothing	5
Contingencies	5
Country medicines	8
Europe medicines	50
Total ...	225½ per month.

As two months of the year have already elapsed and as the cost of Europe Medicines during the first year is included in the initial charges, provision need be made for the 5 new dispensaries only for 10 months at Rs. 175½ each per mensem recurring. The initial and recurring cost for these dispensaries will therefore amount to Rs. 16,275 for the current year.

6. In the budget, a provision of Rs. 8,640 has been made for 4 Lady Medical Officers at the rate of a pay of Rs. 180 per mensem each. As qualified Lady Doctors have all been started on a pay of Rs. 300 and as it is contemplated to secure lady doctors with high qualifications, Government consider that provision at the rate of Rs. 400 per mensem for each of these officers including local and house rent allowances is necessary. The appointments will however be temporary for the present. The cost at this rate for the whole year would be Rs. 19,200. But as only one appointment has now been made and one will be kept open till December next against the return of Mrs. Perriton, and as it will take some time before the remaining two appointments are made, it is found that only an extra provision of Rs. 6,000 need be made for the purpose this year. This is agreed to by the Senior Surgeon and will be sanctioned.

7. After meeting the expenditure under the heads referred to in the previous paras a sum of Rs. 39,161 will remain for being distributed among the three districts to meet the demands in regard to their other commitments and for the improvement works and sanitation and water supply. A statement showing the distribution made under the several heads is appended to this order. It will be seen that the amount available for communications, sanitation and water supply is only about Rs. 15,000. Government however direct that the savings that may become available in the budget under other heads later on during the year be placed at the disposal of the Boards for being utilised for this purpose.

8. The Presidents of the District Boards are requested to submit definite proposals in regard to the improvement schemes for the sanction of Government and to take steps to carry out the works without allowing the grant to lapse.

In the statements received from the Districts, provision was required to be made for revision of the pay of the Vaccination Staff in certain cases and increase of contingent grant to Vaidyans in other cases; but no definite proposals had been submitted as required by the rules. The Sanitary Commissioner and the Presidents of District Boards concerned are therefore requested to submit definite proposals in the matter in the prescribed form in proper time before the consideration of the next year's budget.

B. NAGAPPA,
Secretary to Government,
Local and Legislative Departments.

To—The Senior Surgeon in Mysore.
The Sanitary Commissioner in Mysore.
The Presidents of the District Boards of Shimoga, Kadur and Hassan Districts.
The Comptroller to Government, through the Financial Secretariat.
